Chamber

RCHC-800-800-800
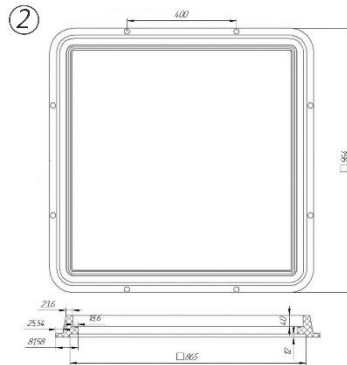

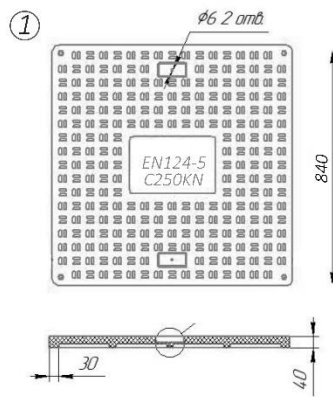

RECO PRODUCTION LTD
		CABLE
1.	MANHOLE COVER	CHAMBER B-125
2.	BOTTOM	RCHC 800x800x800
3.	WALLS	
4.	FRAME	EN 13598-1

Description	Chamber
Product code	**RCHC-800-800-800**
Standard	According to **EN 13598-1/EN124-5**
Manufacturer	**RECO PRODUCTION LTD**
Features	Waterproof walls
	Recyclable ♳
	Several inspection openings with load class B125 and C250 according to standard EN124-5 can be used
Used materials	Composite material - polyethylene and additives
Weight	120 kg
Colour	Dark gray
Application	For electrical and fiber optic networks and cables
Advantages	Material with high wear resistance
	Waterproof
	Modular system easy to assemble in 1 minute
	Complete solution (bottom, walls, frame, cover)
